

Learning at home w/c Monday 22nd 2020 - Celebrations

Year 6

Weekly Maths Tasks (Aim to do 1 per day)

- Go to the Oak National Academy and complete the daily maths lesson. This week's topic is Percentages and Statistics.
<https://www.thenational.academy/online-classroom/year-6/#schedule>
There are new lessons each day.
- Visit the [NCETM](#) website for daily lessons, videos and activities.
- Log on to [Sumdog](#) – complete the weekly challenge set by Mrs Burns. Results will be shared in the following week's newsletter.
- Go onto 'myminimaths' and find some topics that you need to revise and work through the activities.
<https://myminimaths.co.uk/year-6-mini-maths/>

Weekly Reading Tasks (Aim to do 1 per day)

- Complete a reading comprehension task on the Oak National Academy site.
<https://www.thenational.academy/online-classroom/year-6/english/#subjects>
- Read your book (every day – non-negotiable!)
- Create a true or false quiz about a book that you have recently read. Test it out on somebody else who has read the book.
- Authors love receiving mail from their readers. If you could email an author who would it be and what would you say? Compose an email that you would send to an author.

Weekly Spelling Tasks (Aim to do 1 per day)

- Encourage your child to practise the Year 5/ 6 curriculum spelling words that were included in your home learning pack.
- Log on to [Sumdog](#) – complete the weekly spelling challenge set by Mrs Burns. Results will be shared in the following week's newsletter.
- Play some word puzzles on this website
<https://www.arkadium.com/gb/free-online-games/word/>
- Get your child to proofread their writing from the day. They can use a dictionary to check the spelling of any words that they found challenging. This will also enable them to check that the meaning of the word is suitable for the sentence.

Weekly Writing Tasks (Aim to do 1 per day)

- It's time to start celebrating the end of your time at Rudgwick Primary School. It has been an amazing 7 years and it would be great to celebrate and reflect on all of the fantastic things that have happened. Your main writing task is to write about your time at this wonderful school. In your writing you should include: key memories, important events, what you have achieved, what you're proud of, what you have learnt and anything else you would like to share about your time at Rudgwick. This is your time to really shine so please send all your wonderful writing in to the office.**
- Create a newspaper report of the day you were born - include weather on the day, stories in the news, etc. Can you find any famous people who were born on that day? You could also do this for a member of your family, or a friend.
 - **Birthdays should not be celebrated.** Do you agree or disagree with the statement above? Justify their opinion using facts.

Learning Project - to be done throughout the week

This project this week aims to provide opportunities for your child to learn more about celebrations. Learning may focus on different types of celebrations that take place and who may celebrate them. It could look at how people celebrate different events differently in other parts of the world.

Planning a Celebration- it's time to plan an outdoor celebration event of their choice. This could be a birthday party, an Eid celebration, an Easter hunt or anything else they wish to plan. Tell them they have £100 to spend and 6 guests will be attending. What will the money be spent on? Ask them to plan the celebration considering the location of the event (it must be outdoors!), how they will decorate the venue, what their guests will eat and drink and how they will entertain their guests. Get them to detail the timings of the event and any timings for preparation.

Time to Design- Can they imagine their perfect celebration outfit? What would it look like? What would it be made from? How comfortable would it need to be? Ask them to design a costume for a celebration of their choice. Think about the patterns they would like to incorporate on their design and the cultural traditions.

Birthdays around the World- Birthdays are celebrated differently in different countries. Write an information report detailing how birthdays are celebrated in the following countries: China, England, Spain, Italy and Mexico. Ask your child which country would they like to celebrate their birthday based on their findings? Why?

What's the same and what is different? - Select a holiday/festival of their choice and research how different countries around the world celebrate this event. They could compare whether it is celebrated at the same time, the outfits people wear, the food eaten etc. Make a video, poster or report of the things they have discovered.

British Celebrations- In Great Britain, Valentine's Day, St Patrick's Day and Bonfire Night are just some of the celebrations that take place. Ask your child to choose one celebration day and research how the celebration came to be. Using the information they have found, plot the events on a timeline and include dates, details and pictures/sketches. Now create a poster advertising the celebration day. This could be done on a computer programme of your choice or on paper.

Additional learning resources parents may wish to engage with

- Take part in all 3 of this week's 'PE with Joe' sessions.
- Check out the resources for Year 6 on BBC Bitesize
<https://www.bbc.co.uk/bitesize/tags/zncsscw/year-6-lessons/1>
They have lessons for every subject.
- Choose other tasks to complete from your home learning grid.
- Log on to [Times Table Rockstars](#).
