

# Year 5 Update! 8<sup>th</sup> July 2020

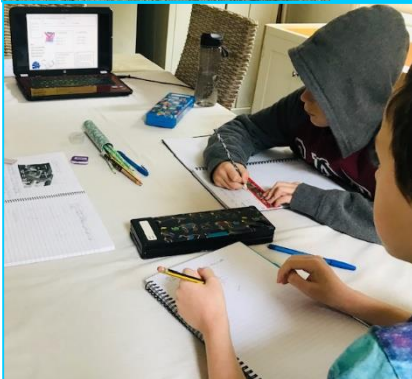

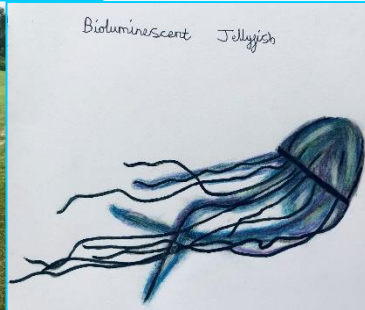

Evie has been learning all about the oceans, including firefly squid (fascinating creatures) and bioluminescent jellyfish!

Zac has got into the spirit of Sports Week! He's been completing the challenges, and has taught his mum 'Popcorn' - bouncing a ball on the edge of your racket! How did Mrs. Mellors get on I wonder?!

Jacob has been in touch with some 'Sports Week'-themed Spurs info! Not only has he shared pictures of his visit to the stadium last year, but he's also done this Roy Lichtenstein-style drawing of his sporting hero - Son Heung-min.

Ollie and Tom have been getting stuck into the Sports Week challenges, and also found time to solve a murder mystery using long division!

Alfie F created this fantastic Tom Gates quiz for me to try out! Unfortunately my knowledge of Tom Gates is not very good, so I saw the wrong answer frog (the Frog of Failure?!) a lot!
