

# Year 2 News

Hello to our Wonderful Year 2s

I would like to start this weeks newsletter by saying, I hope you all had a fantastic half term holiday and that you were able to enjoy the sun and spend lots of time outside having some fun and a much deserved break - I know a lot of you have been working so hard over the past few weeks.

We have already had some emails from you this week and I think one or two also came in last week, so it's amazing to see that many of you have already got back to work!

For some of you, it must be very strange this week if your brothers or sisters have gone back to school. Hopefully it will be our turn very soon but, until then, continue to do your lovely work or just messages about the fun you are getting up to as we all look forward to looking through the emails as and when they appear in our inboxes!

Mr Harley, Mrs Smith and the other adults from the Year 2 team!

**Sophie** - You have been rather busy again! Looking at a dragonfly through a magnifying glass and learning facts about them sounds brilliant! Your poster about them is great and shows your super writing again! Your butterfly collage looks great too! The duck diary is coming along nicely too and don't the ducks look so cute!

**Evie D** - You have also been very busy completing lots of different activities. Well done for taking part in the record breaking online art class with Rob Biddulph, that sounds very fun! The lava lamp you made looks great and sounds like it could have been an exciting project to complete! The picture you have drawn of your house also looks really good - you must have put a lot of time and effort into completing that so well! The senses work you have been doing also sounds very fun too! And you even managed to find time to do a survey of all the vehicles/people/animals that went past your house - some fantastic maths there involving tally charts!

This week's newsletter is a little shorter than normal, but I'm sure that's because you have been having a fantastic half term break and I know some more amazing work will be on the way soon!

## Remember!

Keep emailing in - We do love hearing everything you have been doing whether it's work or just fun things!

Housepoints and star awards will be given!

Joke of the week! From Martha!

"What cream will a sheep eat?

Shaving cream!"
