

Detectives

Study Unit Overview (What we would be doing if at school)

Mathematics

Measure—Capacity, volume and temperature.
Mixed operations.
Word problems.
Place value
Greater than and less than
Odd and even numbers.

Art and DT

Collage—creating an Ottoline character.
Silhouettes of the city skyline.
Postcards—designing a postcard for a country

History and Geography

Mapwork - Look at a map and locate all the places that are mentioned in the Ottoline story.

Investigate and compare similarities and differences between the United Kingdom and one of the places from the story.

Computing

Email and programming

PSHCE

Perseverance
Respect

English

Key text: Ottoline and the Yellow Cat—Chris Riddell.

Setting descriptions
Character descriptions
Post card writing/letter writing.
Suspense stories.

PE - Active Athletics

Hurdles
Obstacle Courses
Develop jumping techniques to jump further.

Science

Plants—How do they grow?
- What do they need to stay healthy?
- Why do they need light, water and a suitable temperature?

Working Scientifically

Asking simple questions and recognising that they can be answered in different ways. Observing closely, using simple equipment and performing simple tests.

Music

Recorders
Summer songs

RE

Christianity
Ten commandments and how these shaped Christianity.

How rules help us in our daily lives.

Outdoor Learning

Link to science - observe plants growing outside in their own habitats.
